

## 2011/2012 Trinity Swimming and Diving Parent/Swimmer Agreement

We are fortunate here at Trinity High School to have a swim team for our students to participate in competitive swimming and diving. Many private and public schools that are similar in size to ours cannot afford to run a varsity swim program and compete as a PIAA team.

While Trinity High School does provide funds for the swim team to cover the costs for coaches, officials, pool rental and expenses associated with PIAA Divisional competition, there are many expenses, such as bus fees for swimming practice, expenses for state competitions, invitational fees, banquets, senior gifts, shirts, swimming caps, meals for away meets, clothing etc. that must be paid for by the swimmers and their families. This equates to approximately \$7000 in expenses that we need to raise funds for as a team each season.

In order to offset these expenses, we rely on donations and fundraisers, held by swimmers and parents. It is expected that every family member of the swim team and their families will support these events in order to participate on the swim team as follows:

- Each swimmer/diver family is expected to pay a “one time” **\$35 administrative fee** to off set costs for away meet meal expenses. This year there are three (3) away meets for which we will provide meals.
- Each swimmer/diver & family is expected to volunteer to support the **Pancake Breakfast** fundraiser, as well as, sell tickets and/or pay the buyout fee.
- Each swimmer/diver & family is expected to **volunteer** to help run home meets by working in various roles, especially as timers for the event.

We appreciate all swimmers’/divers’ and their families’ support in running another successful swim season. Together, our team can accomplish great things.

**I agree to support the Trinity High School Swimming and Diving Team as stated above:**
